# **Instructions**

Please read these instructions carefully and retain for future reference.

**All our products are thoughtfully designed and expertly manufactured.** So that you get the most out of your new light we offer the following guidelines to assist you.

**Diagrams are representative and may not fully match your product.**

### **Contents**

1 x Floor Lamp

### **Important Information**

- To prevent electrocution switch off at the mains supply before assembling or maintaining.
- Always be sure to use the correct type and wattage of bulbs as indicated on the fitting. Never exceed the wattage stated, this may cause your light fitting to overheat.
- When changing the bulb, always switch off the supply and allow the old bulb to cool down before handling. Dispose of bulbs carefully.
- The external flexible cable or cord of this luminaire cannot be replaced. If the cord is damaged the luminaire shall be destroyed.

### **Before Starting**

Please read through these instructions before assembling product and retain for future reference. Keep all packaging until after successful installation.

### **Assembly Instructions**

#### **Step 1**

Once unpacked, remove all packaging including plastic 't' pieces supplied between columns (keep until successful installation).

#### **Step 2**

If required, tighten the screw on the underside of the base to secure the base. Screw lamp stem into base at point A in a clockwise direction and tighten to secure.

#### **Step 3**

Assemble the floor lamp column by screwing together the threaded sections at points B in a clockwise direction. Repeat at point C & D.

#### **Step 4**

Fit light bulbs (not supplied)

Plug lamp into power socket with power off. Adjust to desired position before switching lamp on.
